Slop Sink	0	0

Total FU	GPM	Cv Required

This software is for apartment houses only. Please contact us for other applications.

To select a system, pick a valve with the closest Cv to the calculated required Cv. If the required Cv is between two options, it is generally suggested to go with the smaller size

Please feel free to reach out with any sizing questions or for selection help. We can be reached at:

By email: [paxton@paxtoncorp.com](mailto:paxton@paxtoncorp.com)

By phone: 718-650-5510
